**TITLE:** Early Childhood Therapist  
**LOCATION:** Early Childhood and Family Services  
**POSTING DATE:** June 15, 2017  
**DATE OF CLOSING:** Until Filled

**GENERAL DESCRIPTION:**  
This is a professional position providing a wide range of prevention and early intervention services to infants, young children, and their families. The work will involve in-home intervention with at-risk families under the supervision of the Clinical Manager in the Early Childhood and Family Services Division. Service area may include West/Northwest Detroit, Redford and cities in Western Wayne County. This person works under the supervision of the Clinical Manager of the Infant Mental Health Program.

- RESPONSIBILITIES AND DUTIES:**
- ❖ Assessment and treatment planning for infants, young children and their families
  - ❖ Implementation of treatment plans through appropriate interventions
  - ❖ Participation in conferences, training sessions, group supervision, and team meetings
  - ❖ Liaison work with referring hospitals or other service providers
  - ❖ Community consultation
  - ❖ Participation in program development and evaluation
  - ❖ Participation in parent education and support groups, as needed

- MINIMUM QUALIFICATIONS:**
- ❖ MSW/MA with clinical and family experiences. Preference will be given to endorsed Infant Mental Health Specialists or persons with infant or early childhood experience.
  - ❖ Appropriate State of Michigan licensure, required.
  - ❖ Valid MI license and ability to meet agency's insurance company's standards for coverage

**SALARY:** Commensurate with Experience

**RESPOND TO:** Shaquanna Meeks, MM
