

## Using the Early Relational Health Screen in Home Visiting and Primary Care to Promote Infant-Caregiver Relationships: Small-Group Reflection

- What initial thoughts and feelings come up while watching this interaction?
  
  
  
  
  
  
  
  
  
  
- Which clips might you choose to highlight and review with the caregiver?

*Strength...*

*Challenge...*

*“You are so beautiful” moment...*

- What questions would you use to encourage caregiver’s reflection? What “take home” message(s) would you hope to emphasize in the context of this interaction?
